1. Loan Facility

The lender agrees to provide the borrower a Personal Loan loan of ¹ 5,00,000 subject to this agreement, sanction terms, document verification, and disbursement controls.

2. Repayment Obligation

The borrower agrees to repay the loan through monthly EMIs of ¹ 23,537 for 24 months, together with applicable interest, charges, penalties, and any other dues.

3. Auto-Debit Authorization

The borrower authorizes EMI recovery from Current 458212341043. If sufficient balance is unavailable, the EMI may be marked overdue or missed as per policy.

4. Grace Period and Late Payment

A 5-day grace period applies after each EMI due date. If the EMI remains unpaid after the grace period, penalty may be charged at the higher of ₹ 500 or 2% of EMI.

5. Part-Payment and Foreclosure

Part-payment and foreclosure are permitted subject to outstanding principal, accrued interest, unpaid penalties, foreclosure fee, and operational checks shown in the application at the time of payment.

6. Events of Default

Failure to pay EMI after the grace period, false documents, misuse of loan proceeds, account irregularity, or breach of this agreement may be treated as default and may affect recovery actions and customer profile.

7. Borrower Declarations

The borrower confirms that submitted information and documents are true, the loan purpose is genuine, and the borrower has understood the interest, EMI, total repayment, charges, and consequences of default.

8. Lender Rights

The lender may verify documents, contact the borrower, send electronic communications, adjust payments against dues, withhold disbursement, or close the facility according to policy and applicable law.

9. Electronic Records

The borrower agrees that digital acknowledgement in AdnatePayNest is valid evidence of consent and will be retained with the loan record for audit and servicing.

10. Governing Terms

This agreement is governed by applicable banking policies, platform terms, and Indian law. Disputes should first be raised through official customer support channels.

Digital Acknowledgement and Execution

By submitting the application with rule acknowledgement, the borrower confirms consent to document verification, repayment authorization, EMI schedule, penalty terms, and lender rights stated above.
